

# THE ORTHODONTIC COMPANY QUALITY POLICY

27/09/19

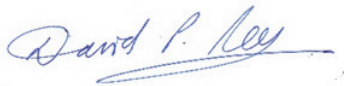

Issue 3

As a leading UK company in the supply of high quality dental orthodontic products and associated materials and devices we are committed to continued growth, continual improvement and in satisfying customer requirements including statutory and regulatory.

We are committed to enhancing customer satisfaction through the effective application of our Management System.

We will set our quality objectives which will align to our business strategy in support of this policy and the organisations changing context. These will be reviewed at top management's bi-annual Management Review Meetings.

We are committed to maintaining the ISO 9001:2015 certification through co-operation, motivation and effective collaboration with all interested parties as well as the maintenance of our organisational knowledge for the consistent provision of our offerings and business continuity.
